Filesize: 3.3 MB

### ***Reviews***

*This pdf can be worth a read through, and a lot better than other. I really could comprehend everything using this written e book. I am just pleased to explain how this is actually the very best book i have read through in my individual lifestyle and can be he very best publication for actually.*  
(Jaclyn Price)

## RED BARN, RED FIRE TRUCK (TEACH KIDS COLORS -- THE LEARNING-COLORS BOOK SERIES FOR TODDLERS AND CHILDREN AGES 1-5) (PAPERBACK)

Copywriter Press, United States, 2015. Paperback. Book Condition: New. Chris Peck (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Did you know many children struggle to learn colors the traditional way: taught side by side, all in one book? With that in mind, the Teach Kids Colors book series takes a novel, science-backed approach to color learning -- one color, one fun book at a time. Inside the red book, your child will meet Superhero Flynn, who wants to know where the color red begins, so he tracks it to a farm where lobsters are arm wrestling. He learns that overcoming your anger is the fastest way to fly. Red Barn, Red Fire Truck teaches the color red utilizing color-specific items like strawberries, tomatoes, cherries, garden gnomes and more to help kids ages 1 to 5 apply objects to learning colors when they're out in the world with their family -- hiking, grocery shopping, looking in the refrigerator or riding in the car. Perfect for introducing children to colors, Red Barn, Red Fire Truck is the second book, the red book, in the Teach Kids Colors series. Written in easy-to-remember limericks, each book in the series uses lively characters and vivid illustrations to deliver an uplifting message with a subtle lesson on color, the scientific way -- one color, one fun book at a time. Children love the stories so much they don't even realize they're learning.
