LAW SEX AND CRIME

Vij Books India Private Limited, 2013. Paperback. Book Condition: New. A woman both in the eye of law and the society is not merely a person either in the gender or the existence. She has an inherent personality since birth called 'womanhood'. Unfortunately, a woman, in our country, belongs to a class or group of society who are in a disadvantaged position on account of several social barriers and impediments and have, therefore, been the victim of tyranny at the hands of men with whom they, fortunately, under the Constitution enjoy equal status. Women have the right to life and liberty; they also have the right to be respected and treated as equal citizens. Their honour and dignity cannot be touched or violated. They also have the right to lead an honourable and peaceful life. They must have the liberty, the freedom and, of course, independence to live the roles assigned to them by Nature so that the society may flourish as they alone have the talents and capacity to shape the destiny and character of men anywhere and in every part of the world. India needs to fast justify its reputation as a leading Civilization of the World and this book will contribute to this journey.
