Poster Girl, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.CJ Jones has it all. The perfect life. The letters M.D. behind her name, the Chief, Emergency Services embroidered on her white coat. Her home on the water seems designed for yoga and biking, and her vintage poster collection fits in perfectly with the decor. Life is good. Until she wakes up as a patient in her own Emergency Room with the hand of the hottest surgeon in town on bare skin and dangerously close to parts she'd rather keep private. They've met previously over a warm patient. He was interested. She was not. She doesn't need, or want a man in her life. Dan Brown, Chief of Surgery and of the Medical Staff is more than interested in CJ. He's determined to take care of her, in every way he can. When he invades her home to keep an eye on her, she finds him invading other places as well. Dan is in her heart and mind, and most definitely in her bed. In many ways. In every way. Life falls apart when Dan must suspend CJ from her post at the hospital. Did he screw her in more ways than one? She's not sticking around to find out. A trip to Hawaii and a visit with an old friend land her a job in the ER. When it seems that her life in Portland is a thing of the past, Dan arrives on the island. Will true love (or lust) conquer all? This energetic, first-time novel is much more than a sexy romance. It offers a fascinating look at one woman's struggle to merge her desire for independence with...
