Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our minds capabilities are limitless, yet most of us rarely challenge ourselves to see our true potential. Every experience, whether good or bad, gives each of us more wisdom if viewed from a positive mind-set. You must continue to dream and try to visualize a new reality that you can be happy with. These are the first steps toward change. Somewhere along the line from childhood to adulthood, it is made taboo to dream. We must continue to dream and imagine without limitations and not allow our rational selves to kill our dreams. You must not get caught up in the routines of life and forget to first identify your purpose and what truly makes you happy. We all have problems and tough situations that we must deal with every day. Yet change is still possible. We live in a world that will dish out heartache, pain, injustice, and sometimes outright evil. But this is not an excuse to fail to fulfill your purpose as a human being. The great thing about being human is we can each choose what our purpose will be. We must understand that we are powerful and made for greatness. There will never be another one of you, even in a billion years-you are unique. Maybe with future technology, we will be able to produce someone who looks like you and even shares your DNA, but it will not be you. The clone would not have the same knowledge, experience, or memories. This fact alone brings tremendous power. There will never, ever be another you. So we must not hide from life but develop ourselves to master life. We can't let...
