In this electrifying novel of suspense, #1 New York Times bestselling author Iris Johansen takes us deep below the surface, where a ruthless killer strikes without warning, without mercy--and with the deadliest intent. Marine researcher Melis Nemid is treading dangerous water--and she s about to be dragged under. Melis knows something that has already caused one oceanographer to disappear from the face of the earth . . . and that s only part of a past torn by violence and betrayal. She thought she had put that past behind her when she arrived at her Caribbean island home to research dolphin behavior. But Melis s peace--and her life--are about to be shattered by a savage killer who is cutting a path of destruction and death that leads directly to her. Only one person can save her--a man who claims to be a fellow oceanographer. But what this enigmatic stranger really wants, Melis may not discover until it s too late. Because whoever is after her knows her fears intimately. And soon Melis will be forced to relive them all over again. Except for the final nightmare--the one she cannot possibly survive.
