Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Lair of the White Worm (also known as The Garden of Evil) is a horror novel by Irish author Bram Stoker. It is partly based on the legend of the Lambton Worm. The book was published in 1911 by Rider and Son in the UK, the year before Stoker's death, with color illustrations by Pamela Colman Smith. The plot focuses on Adam Salton, originally from Australia, who is contacted by his great-uncle, Richard Salton, in 1860 Derbyshire for the purpose of establishing a relationship between these last two members of the family. His great-uncle wants to make Adam his heir. Adam travels to Richard Salton's house in Mercia, Lesser Hill, and quickly finds himself at the centre of mysterious and inexplicable occurrences. The new heir to the Caswall estate, known as Castra Regis, the Royal Camp, Edgar Caswall, appears to be making some sort of a mesmeric assault on a local girl, Lilla Watford, while a local lady, Arabella March, seems to be running a game of her own, perhaps angling to become Mrs. Caswall. Edgar Caswall is a slightly pathological eccentric who has Mesmer's chest which he keeps at the Castra Regis Tower. Caswall wants to recreate mesmerism, associated with Franz Mesmer, which was a precursor to hypnotism. He has a giant kite in the shape of a hawk to scare away pigeons which have gone berserk and have attacked his fields.
