*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.*

Bloomsbury Acad & Prof, 2016. Paperback. Book Condition: New. 21 x 27 cm. Fashion and Textile Design with Photoshop and Illustrator is a step-by-step guide to two essential tools for textile and fashion designers. Adobe Photoshop . and Illustrator . have eclipsed many specialist textile and fashion systems due to their intuitive design, versatile function, and constant evolution. .Designer and educator Robert Hume guides you from novice to expert through eighteen carefully crafted projects. You'll start by mastering layers and custom brushes, and learning about stripes and weaves, before moving on to repeats and colorways, and simple geometry, and finally learning key layout and presentation techniques in both programs. There's also advice on sharing, communication and output, and help with diagnosing and correcting common problems. Files for many of the projects are available from [Url removed]-textile-design.In addition, seven case studies showcase the work and creative thinking of innovative professional designers. These designers reflect on the appeal of Illustrator and Photoshop and offer insight and inspiration to help you develop your own fun and inventive designs. Paperback.
