Createspace, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Much time in a day, while sitting over on that crazy machine called computer, we do crazy things ! The most craziest thing about this machine is, you can do lots of things with it, including those are already known and those which you can t even imagine you can do . For simplicity, I called them as hacks here ! This book is can be differentiated from other hacking stuff available over internet and books by following points: 1) It contains information gathered from various sources and included in one single book. i.e. if you go and find the all content of this book it will take you to visit hundreds of websites. This make this book ILLUSTRATED. 2) Many of tricks included here are unique i.e. you can not find it over internet or anywhere . This make this book ANNOTATED. 3) This book works as a catalog for its readers . i.e. they can choose any point to read randomly from book. this is most unique feature of the book. This book is an ultimate ethical hacking catalog as described. There are lots of tricks given here which you can use to either surprise yourself or your acquaintances. As it is typically a type of catalog, you can simply flip through various hacks whenever and whichever you want ! These tricks will not only help you to do your computer operating experience great but also will open you all the doors of smart computer using. You can do all those things with your computer using this book that you always wished you could do but thought impossible to do. The tricks given in...
