The case starts out close to home: Daniel Kirkland never arrived at Yale for the spring semester. Daniels mother Grace, a friend of Smokey Daltons and his son Jimmys beloved teacher, sacrificed everything to get Daniel into one of the countrys most prestigious schools. What at first seems like a missing persons case becomes something bigger, as Smokey delves into the heart of the anti-war movement. He goes from the storied halls of Yale University to the slums outside New Haven to Harlem as he searches for Daniel. All the while Smokey hears rumors he doesnt like, from violent attacks to talk of bombs. Gradually he realizes that he has stumbled into Americas second war of the decade: the war at home. War, which deals with the disappearance of a militant black Yale student during the long, hot summer of 1969, is a gripping read that drags us deeper into Daltons uneasy world.
