## UNDERSTANDING THE BAHAI FAITH

Dunedin Academic Press. Paperback. Book Condition: new. BRAND NEW, Understanding the Baha'i Faith, Wendi Momen, Moojan Momen, The Baha'i Faith is the youngest of the world's independent religions and the second most widespread after Christianity. Dating from its Iranian origins in 1844, it has rapidly spread to every country of the world and counts more than five million adherents. The central teaching of Baha'u'llah, the founder of the Baha'i Faith, is that it is imperative for humanity to recognize that there is a single race so that it can act in unity as one global community to meet the challenges of the present day. The Baha'i scriptures provide a wide-ranging social programme designed for people living today coupled with spiritual principles that echo those found in the great faith traditions of the past. Understanding the Baha'i Faith focuses on the impact that the religion has, looking at what it has to say about personal life, the home, the community, social issues, global concerns, as well as the spiritual life. The book provides a factual and straightforward account of the history, organisation, development and sacred texts of the religion, as well as a time-line of important events and a glossary. It is suitable for general audiences, students of comparative religion and teachers.
