Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nearly two years ago a leading London daily newspaper said: The Government have assured us that all danger from present and future air piracies is now over, and that the recent events which so startled and horrified both this country and the United States of America can never recur. For our own part we accept that assurance, and we do not think that the Commissioner of Air Police for the British Government will be caught napping again. In saying this we do not in the least mean to imply that Sir John Custance could either have foreseen or prevented the astounding mid-Atlantic tragedies. Sir John, though barely thirty years of age, is an official in every way worthy of his high position, an organizer of exceptional ability and a pilot of practical experience. Press and public are perfectly well aware that it is owing to his personal exertions that our magnificent Transatlantic air-liners are no longer stricken down by the Night Terror of the immediate past. And in saying this much, we have both a suggestion and a request to make.
