paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 189 Publisher: Harbin Engineering University Press Pub. Date :2008-02. This book is divided into electrical technology. electrical construction and practical training session of three parts. The first part contains the basic concepts of the circuit. commonly used with low-voltage electrical control circuit. basic knowledge of electronic technology; second part of the main contents of building supply and distribution. electrical lighting. construction electrical safety technology. intelligent building electrical; third part is the real training session. introduces the volt-ampere characteristics of the resistive element mapping. validation of Kirchhoff's law. Thevenin's theorem. single-phase AC series circuit. three-phase circuit voltage and current measurements. three-phase squirrel cage induction motor reversing control of six experiments. In line with the teaching. each chapter with a degree of difficulty and number of exercises are more appropriate and thinking problems. This book can be used as higher vocational institutions. adult college class of non-building electrical construction professional teaching books. but also for engineering and technical personnel in the construction industry and related professionals use and reference. Contents: Chapter 1 of the electrical base building electrical 1.2 1.1 DC-DC circuit of the basic circuit analysis 1.3 1.4 Single-phase sinusoidal three-phase sinusoidal AC circuit AC circuit exercises and reflection questions in Chapter 2 common low-voltage electrical equipment and control magnetic circuit 2.1 three-phase asynchronous motor with transformer 2.2 2.3 2.4 commonly used in low-voltage three-phase asynchronous motor control electrical control circuit of the basic exercises and reflection questions in Chapter 3 of the Electronic Technology Building Electrical 3.1 3.2 semiconductor diodes and transistors digital circuits Four Satisfaction guaranteed, or money back.
