Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Saviour of the World The theme of this essay might well have been discussed under the inclusive titles of other volumes which have preceded it in the series of Manuals. Between the gaps, however, of the treatment of those titles, necessarily meagre as prescribed by a strict page-limit, the editor finds room for the line of study pursued herein. The theme itself is central, spermatic. In our times the real incidence of infidelity is at this point. The most vital challenge of unbelief is that which casts suspicion upon the perpetual mastership of Jesus; while the resources of Christian apologetics are more and more being called in from merely tactical or ornamental outposts to rally around this doctrine as the very bleeding heart of the Gospel.
