

The Nontraditional Learner's Guide to Success: Creating an Informal Support Network (Paperback)

By R. Lee Viar IV Phd

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book investigates the influence of an informal support network on the growing population of nontraditional learners and explores the implications of this support network for learner persistence and success. Obviously, the end objective is success for the nontraditional learner. This success can manifest itself in the form of an intrinsic motivational purpose, for career advancement or continuing education. Whatever the reason, education is a precious gift and degree attainment should be encouraged, regardless of the learner's stage of life. Who should read this book? Nontraditional learners, instructors of nontraditional learners, the support networks, and the nontraditional learners' mentors, as well as, counselors who are working with adult learners, will benefit from the insights provided herein. In addition, it is my sincerest hope that this book can act as a guide to assist working adult learners who enter institutions of advanced learning later in life to achieve their goal of earning a degree. The book establishes a theoretical foundation based on an examination of current trends in education in general. The experiences of the nontraditional learner, both...
