AuthorHouse. Hardcover. Book Condition: New. Hardcover. 360 pages. Dimensions: 9.0in. x 6.3in. x 1.1in.Candid, breathtaking, and unimaginable, Elisabeth Holyday in her own words gives a picture of strength, courage and the will of the human spirit to survive in circumstances where many would crumble. It is the story of the once little girl who went to church from dusk to dawn, shared a beautiful bond with her mother, drawn to the teacher who taught her Religion in High school and the teacher in Elementary school who believed in her and had high expectations of her. When she fell from grace at fourteen, she struggled to get back on her feet, but with a brilliant Letter of Recommendation and a little luck with a part of her tuition, she got back in school, back in her element, and was convinced that she would someday be numbered among the greatest Gospel Singers, travelling the world and singing in different languages, until a rape one night on her way home from Prayer Meeting left her with another child and all hell broke loose after that. Elisabeths life took such a devastating turn that she was left with three children by the age of eighteen and a lifetime of havoc that left her hiding behind of wall of silence and shame. As a mother of three before she earned a paycheque, Elisabeth saw marriage as a way out to help carve a path for her and her children and to give her the sense of security she desperately needed. It was the beginning of the end of all that she hoped and dreamed for. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
