OCLC Number: (OCoLC)738494453 Subject: Educational evaluation -- United States. Excerpt: . . . As a teacher, my constant focus is to help students make progress in the classroom. NAEP helps with this mission by creating a common measure of student achievement across the country. Iris Garcia, Teacher Biscayne Elementary Community School, Miami Beach, FL Achievement Levels Statistical Significance Achievement levels are standards showing what students should know and be able to do along the continuum of performance. Because NAEP results are based on random samples, there is a margin of error on recommendations from policymakers, educators, and members surrounding each score or percentage. For the general public, the Governing Board sets specific achievement differences that are larger than levels for each subject and grade. NAEP results are reported as the margin of error are statistically percentages of students performing at or above the Basic and significant.
