Brand New Book ***** Print on Demand *****.Excerpt from Hardwicke s Science-Gossip, Vol. 22: An Illustrated Medium of Interchange and Gossip for Students and Lovers of Nature The necessity to pen a few editorial notes to our friends reminds us that Science-Gossip has been in existence for twenty-two years. We are happy to say there are no signs of failing health - only of vigorous manhood. Our columns were never before found so strait for the matter sent us by hosts of willing and enthusiastic contributors, neither has the number or universality of our readers lessened; for Science-Gossip is known all over the globe. This is a great deal to say, when we remember the number of popular Science periodicals which have competed for public favour since our magazine was launched twenty-two years ago. We have endeavoured, as far as lay in our power, to cater for every class of our readers - geologists, astronomers, botanists, entomologists, ornithologists, conchologists, microscopists, c., as well as that large and undefined host of readers who are content to be fond of Natural History. Where we have failed...

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
