## INTERACTIVE SCIENCE 2012 STUDENT EDITION CONSUMABLE GRADE 4

Scott Foresman. Paperback. Book Condition: New. Paperback. 493 pages. Dimensions: 10.8in. x 8.1in. x 1.0in. Interactive Science is a next generation K-8 science program featuring an innovative write-in student edition (grades 1-8) that makes learning personal, relevant, and engaging. Your child will get all of the content, interactivity, and practice they need between the covers of a single book. Your child will interact with science through the many labs and hands-on activities throughout the student worktext. Detailed lesson plans make instruction easy. In-depth, hands-on activities throughout each lesson engage your child. Got It checkpoints ensure your child understands the material. Understanding By Design model leads students to a deeper understanding of science concepts. Each homeschool bundle includes a Parent Guide, Write-In Student Edition, and online Teachers Edition eText. Student online access is not available at this time. Please note the Teachers Edition eText is accessible for one full year, online only. Individual pages cannot be printed. Thank you for your interest in Pearson Homeschool. Our product packages were designed with the homeschool community in mind. Pearson creates education materials for all types of learners. When creating a program, we ensure that the material will be accessible to as many students as possible and as such, we create many ancillary products to fit specific situations to meet a variety of needs. While there are many components to each of our overall educational programs, some of these ancillaries do not meet the needs of homeschoolers, others do not make sense in a homeschool environment and some require an expensive technological infrastructure to deploy. The homeschool product configurations, while selected from a larger program, are complete curriculum bundles designed for your children to be engaged and to thrive, while being mindful of your budget. It is important to note that at times there will...
