Reviews

This publication is definitely worth buying. It is written in straightforward words rather than difficult to understand. You are going to like how the writer composes this publication.
(Dr. Joaquin Klein)

PAPERS ON THE ETHICS OF ADMINISTRATION,

Brigham Young University, Provo, UT, 1988. Soft Cover/Good. Book Condition: UNUSED. 1st Edition. A Very Fine Copy. An interesting book because it combines essays reflecting upon the role of ethics both in business and in the public sector. Book is in mint condition. Ethics from detached public officials (Weber) to whistle blowing and even civic disobedience. The role of the public official can be defined by personal moral values. The issues, naturally, are when personal values interact with responsible official values. Politics may be only a limited friend of morality!.
