

Studying Psychology in the United States: Expert Guidance for International Students

Filesize: 5.03 MB

Reviews

Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Johnathon Moore)

STUDYING PSYCHOLOGY IN THE UNITED STATES: EXPERT GUIDANCE FOR INTERNATIONAL STUDENTS

[DOWNLOAD](#)

American Psychological Association (APA). Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.9in. x 7.0in. x 0.5in. Until recently, international students who considered studying psychology in the United States have had few resources available to them. This is significant given that each year the United States hosts more than half a million international students, and psychology is one of the most popular majors. In response, the American Psychological Association of Graduate Students (APAGS) has brought together a remarkable group of psychologist and international student contributors who share their unique expertise and insights in this volume. This book offers superb expert guidance on graduate study in psychology, specifically tailored for international students. It weighs the pros and cons of studying psychology in the United States and provides direction on how to find university resources geared toward international students, finance ones education, handle visa and work permit matters, cultural considerations, mentoring relationships, academic development, obtain internships and training, and whether to pursue employment in the United States or abroad, as well as other critical professional development issues. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
