Brand New Book ***** Print on Demand *****.When desperately private writer Imogen offered to marry Peter Watson it wasn't just to save a friend but to secure her own future. With her eyesight failing and no other prospects for marital bliss on the horizon, surely it wouldn't be too horrible to marry without the benefits of love. But then Peter gains a title a week before they're set to wed and all of Imogen's expectations change. Peter once believed that marriage to Imogen would solve his financial problems. He didn't mind marrying for convenience and a large fortune when affection was within reach. Yet when he gains a title, an estate, and a fortune of his own the secretive writer releases him from their engagement so he might marry for love. Now he's returned, unwed and unaware of changes in her life, should he do what is expected or listen to his heart instead?.
