Paperback. Book Condition: New. Not Signed; Trouble began in 1963. I'm not blaming it on President Kennedy's assassination or its being the beginning of the sixties or the Vietnam War or The Beatles. The trouble I'm talking about was my first real trouble, the age-old trouble. The getting in trouble as in 'Is she in trouble?' trouble. As in pregnant. As in the girl who got pregnant in high school.' Beverly Ann Donofrio wasn't bad because she hung out with hoods - she was bad because she was a hood. Unable to attend college, she lost interest in everything but riding around in cars, drinking, smoking, and rebelling against authority. After her teenage marriage failed, Bev found herself at an elite New England university, books in one arm, child on the other. Then, furnished with ambition, dreams and five hundred dollars, she took herself and her son to New York to begin a career and a life. An outrageous and touching memoir, this is the story of a teenage mother who, as her son grows up, becomes an adult herself. book.
