Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Red Feather Press New York, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2010 the author was diagnosed with stage II breast cancer at a time when she was intensely involved with an archaeological project in southern Jordan, and had become a serious student of the Arabic language. With the paradoxical juxtaposition of adventure and serious illness as the catalyst, C.P.T. Jennings used the long months of illness and treatment to pen this affecting memoir. In it, she articulates the inevitability of profound change, the cumulative riches of an individual's past, and the obligation to build and to renew, with whatever tools come to hand.
