Vintage, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Isacoff . . . untangles the complexities . . . with the aplomb of a virtuoso pianist playing scales." The New York Times Book Review "A thrilling story that is as accessible as it is absorbing. . . . This is a whirlwind tour through the history of Western culture, told with flair and grace." National Review "Immensely entertaining, original and informative. [ Temperament 's ]most persuasive weapon is the unquenchable passion of its author." The Economist "Admirable. . . . [Isacoff] writes engagingly. . . . [about] a time when there existed a glorious synthesis of music and mathematics, and in the imaginations of scientists and philosophers and musicians it wove the entire universe into a grand design." The New Republic "Charming. . . . As much a whirlwind tour of Western culture's big ideas as it is a musicological investigation." Los Angeles Times "The pleasure here is that it gives readers a glimpse of the oceanic depths of musical metaphors and mysteries still unsolved by cognitive science and evolutionary psychology." Wilson Quarterly "A sweeping history of medieval and Renaissance European intellectual achievement,...
