ANNABELLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Annabelle This story is about a girl called Annabelle, who loves to play with the animals. The only name that is given in the story is Annabelle s. I haven t named any of the animals, and there are no drawings either. It is for the children to name the characters in the story, and to draw the pictures of what they see around them. After we hear Annabelle s story, the children are invited to go on an adventure to help a group of animals, and to become explorers. Their quest is to help Annabelle and the animals by building up the story, and for that, they need to tell her all about the things that they enjoy. They write about themselves, and they draw what is happening, so they are the ones that are creating the story. But this story is not just for the children, it is set out with a woman talking to a group of children. Children love to hear someone tell them a story, so this book can work much better if you tell the story to them yourself. You can have your own adventure, and you can play out the role of the woman who is telling the story. You can watch the reactions with the children, and you can see how excited they get; so you will enjoy it just as much as they do. And perhaps you can swap, and one of the children can read out the story, and you can write about your adventures and write all about you. There are many stories within this story. After you have helped Annabelle; she will introduce...
