Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

BUTTERFLIES (NEW EDITION)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Butterflies (New edition), Michael Chinery, The ideal portable companion, the world-renowned Collins Gem series returns with a fresh new look and updated material. This is the perfect pocket guide for nature enthusiasts keen to identify the most commonly seen butterflies and moths in Britain and northern Europe. Authoritative text, beautiful photographs and detailed illustrations show the distinguishing features of each butterfly and moth to aid identification. Features information on size, habitat, geographical range and months when they can be spotted, as well as names of similar species with which each butterfly or moth could be confused, and details of the differences between them. This new edition builds on the strengths of the unrivalled original, now expanded to include over 240 butterflies and moths.
