Brand New Book ***** Print on Demand *****.International terrorism threatens U.S. foreign and domestic security and compromises a broad range of U.S. foreign policy goals. This issue brief examines emerging international terrorist threats and the U.S. policy response. Available policy options range from diplomacy, international cooperation and constructive engagement to economic sanctions, covert action, physical security enhancement and military force. Throughout successive administrations, a key element of stated U.S. policy has remained: no concessions to terrorism. Recent willingness by such groups as the PLO, and IRA to moderate behavior may indicate success of this policy. In this context, current U.S., British, and Israeli policies of engagement with such groups is seen by many as a response to changing circumstances. Dramatic events, such as the Oklahoma City, World Trade Center, and U.S. embassy bombings in Kenya and Tanzania, as well as the Tokyo subway gas attack, have brought the issue of terrorism to the forefront of American public interest. These specific occurrences raise questions whether U.S. policy and organizational mechanisms are adequately focused to combat what may be a new brand of terrorist: one who does not work for any established organization and who is not an agent of any particular state sponsor, yet has access to the .
