Practical ABAP - Fi/Co: A Technical Guide with Functional Perspective (Paperback)

By Selva Lakshmanan, Hariharan Subrahmanyam

Sglm Technologies Inc, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The authors, Selva and Hari present a uniquely structured technical guide by drawing from their vast experience in ABAP development, configuration and business process design. This book provides the reader with an integrated view of how ABAP code, configuration and master data come together in the FICO module. The book is sprinkled with valuable insights regarding master data settings, ABAP best practices, and explanations on key configuration settings. Sample code has been provided at appropriate places throughout the book. The book is intentionally organized along the lines of business process groups such as Procure to Pay, Order to Cash and Record to Report. Within each sub-area in FICO, relevant ABAP objects such as function modules, user exits, BAdI have been explained. Each section contains a list of tables for ready reference. Whether you are an ABAP developer or a functional resource, you will come across nuggets of information that can be applied in real-life situations in SAP implementations.
