

## Churches of Venice

Filesize: 3.48 MB

### ***Reviews***

*This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).*

## CHURCHES OF VENICE

[DOWNLOAD](#)

Arsenale Editrice. 1 Flexi-binding(s), 2001. soft. Book Condition: New. In Venice, where water is everywhere and space is not, the churches of this island-bound city-state are remarkable for their compact forms and for the decorative elements lavished on their façades. Each characterizes the area where it is built particularly on the smaller islands, where the churches are often the most important and majestic buildings and because of Venice's wealth, these small yet spectacular churches tend to resemble jewel boxes. Illustrated here in page-filling color photos and detail views are churches built by such architects as Mauro Codussi, Jacopo Sansovino, and Andrea Palladio, embellished by artists like Giovanni Bellini, Jacopo Tintoretto, and Paolo Veronesi. 191.
