

James Fitzjames: The Mystery Man of the Franklin Expedition

By Battersby, William.

Dundurn. 1 Cloth(s), 2010. hard. Book Condition: New. Having already distinguished himself in combat, charismatic naval commander James Fitzjames joined Great Britain's 1845 Franklin Expedition, thinking he would make his name; instead the expedition disappeared without a trace. In this biography which features 16 pages of black and white illustrations William Battersby draws extensively on Fitzjames's personal letters and journals as well as official naval records, creating a portrait of an ambitious man haunted by the secret of his illegitimate birth. "A riveting detective story that reveals a whole host of compelling details about the nature of 19th-century maritime endeavor, and the fated, enigmatic Captain Fitzjames. A worthy addition to the distinguished literature on the greatest Arctic naval disaster in history." Benedict Allen 224.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).
