Reviews

A whole new e book with a new perspective. I could comprehend almost everything using this written e book. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be the best publication for ever.

(Dee Halvorson)

HISTORIC PENSACOLA

University Press of Florida. Hardback. Book Condition: new. BRAND NEW, Historic Pensacola, John J. Clune, Margo S. Stringfield, John J. Clune, Gregory A. Waselkov, Pensacola was one of the earliest European settlement attempts in American history. "Historic Pensacola" is the perfect introduction for residents and visitors alike, and arrives just in time for the city's year-long 450th-anniversary celebration in 2009. With brilliant, full-color images throughout, John Clune and Margo Stringfield synthesize history and archaeology, in this engaging and informative chronicle. Their accessible narrative history, intended for a general audience, summarizes the founding, development, and setbacks of Pensacola through the first three centuries of its history. Five flags have flown over Pensacola since it was founded: Spanish, French, British, American, and Confederate. Alternately abandoned and resettled due to a series of devastating hurricanes early in its history, the city served variously as a Spanish garrison, as a French outpost, and as the capital of the British colony of West Florida. It was the largest city in the state when Florida joined the United States in 1821 with Andrew Jackson presiding as provisional governor. Clune and Stringfield use a wide range of historical and archaeological records, and spiced with traditional period recipes, to provide a unique look into the daily lives of the people who endured hardship, disease, and hurricanes to settle the Gulf coast frontier. The result is a highly readable account of a city with a rich and fascinating past. It is celebrating the 450th anniversary of America's oldest settlement.
