

Stress: Where Did All My Money Go? How to Reduce Financial Stress and Take Control of Your Money Problems by Managing Your Money and Preventing a Financial Crisis (Paperback)

Filesize: 8.18 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

How To Reduce Financial Stress And Take Control Of Your Money Problems By Managing Your Money And Preventing A Financial Crisis** Do you want to take control of your life and gain financial freedom? One of the worst problems you may have will most probably involve your finances. You may have sleepless nights because you try to think of ways on how you can get out of your financial dilemma. You become grouchy and your relationships with your family and friends are affected. Your money problems keep piling up and you re really lost. You don t know what to do. You ve probably tried a lot of strategies but you haven t really done something great to finally take control of your life once again. You re really not totally at fault because no one has really taught you how to manage your finances. Sure, you ve gone to school. You may have earned your college diploma but you never learned about personal finance in class. Thus, when you got out and enjoy the world, you earned your money but you spent as fast as you can earn them. Now, you feel that you ve reached your lowest low and don t know what to do. The temptation to spend more than you earn is great. You see your friends enjoying their lives. They go out for fine dining. They have really nice and expensive clothes. You see them take a lot of out of town trips, even out of the country vacations. You surely feel that you can also be like them. You can enjoy life because you re...
