Excerpt: . . . 11 out or be damaged beyond the cost of repair after less than 5 years and should be written off over 3 years, or expensed and immediately deducted. In addition, contractors, like taxpayers in many other industries, said their computers and associated software are obsolete in less than 5 years. Respondents split on whether the amount and timing of investments are affected by either the general rules or temporary incentives, such as the recently expired bonus depreciation or the current higher limits for small investor expensing under code section 179. A good way to start, and one mentioned by several survey respondents, would be to eliminate the Alternative Minimum Tax, or at least the separate depreciation required for it. If this is too expensive or elaborate a change to enact this year, I hope Congress will at least substantially raise the income floor below which it does not apply for all types of business, whether taxed as C corporations or through the individual income taxes, S corporations, partnerships, or sole proprietorships. Congress...
