Brand New Book ***** Print on Demand *****.Recently fired and almost broke, thirty-year old Ellie decides to push all distractions aside and form a crash-or-burn plan to save herself and finally pursue her dreams. She gives herself one month to make the near-impossible happen, otherwise she has to leave New York City and move into her niece s toy room. The plan seems simple but becomes complicated by a nosey best friend, a difficult roommate, a dreamy stranger, and a really bad ring. As the month progresses, Ellie must confront the realization that by deciding to focus on herself, she may have become completely self-centered. Will she let her own ambitions, insecurities, and assumptions ruin her friendships and get in the way of a possible romance? Ruled by endless lists and fueled by several plates of pie, Ellie s comical thoughts and mishaps drive this story from the office to the coffee shop during a month that will leave her with a broken foot, a great pair of shoes, and a forever changed life.
